

A RESOURCE GUIDE FOR PARENTS OF LEXINGTON SCHOOL DISTRICT FOUR

Academic Assistance for Elementary, Middle and High School Students

Academic Assistance for Elementary, Middle and High School Students

Helping all students academically is a primary goal in the Midlands. Yet, some students need extra help. This guide has been created to make parents and guardians aware of the programs or opportunities available for students who need help. This guide is color-coded so that information may be easily found. Each section begins with a list of questions and answers followed by an alphabetical listing of programs with contact information.

Making Education Count in Our Community

We all share responsibility for making sure our children have quality educational experiences. That's why Colonial Life proudly supports educational programs across the Midlands. We know we're helping shape more than young minds – we're also helping shape the future of our community. And we think that's pretty exciting.
